Application Review

Fordham is committed to a holistic review of each application. In reviewing all required documents, we seek to understand your preparation for our rigorous academic environment and the personal qualities and experiences that you will bring to Fordham. In an effort to keep our average class size small (22) and our student-teacher ratio low (15:1), we aim to enroll a first-year class of about 2,100 students. One of the most challenging parts of the selection process is that our applicant pool has more talented students than we can accommodate in our classrooms and residence halls. For additional details about what characterizes a strong application to Fordham, visit fordham.edu/requirements.

FINANCING A FORDHAM EDUCATION

We are committed to making a Fordham University education financially accessible for families. This past year, 90% of enrolled first-year students received some form of financial aid from the University. Financial aid is available for U.S. citizens and eligible noncitizens. For more financial aid details, visit fordham.edu/financialaid.

Applying for Financial Aid

Early Decision/Early Action

Applicants for admission through the Early Decision or Early Action programs may apply for financial aid by completing both the CSS/Financial Aid PROFILE (CSS Profile) and the Free Application for Federal Student Aid (FAFSA). Aid applicants who complete both applications by November 15, and provide any requested follow-up documents on a timely basis, will receive a financial aid package by December 20 (Early Decision) or February 1 (Early Action). The package will include Fordham University scholarships and grants, as well as an estimate of federal and New York state awards. Financial aid applications received after November 15, or applications missing requested information, will be reviewed in the Regular Decision financial aid process.

Regular Decision

To seek institutional aid, Regular Decision applicants must file both the CSS/Financial Aid PROFILE (CSS Profile) and the Free Application for Federal Student Aid (FAFSA) by February 10. Those who complete the process on a timely basis will receive an aid package by April 1. Applicants who miss the filing deadline or submit documents late may find funds exhausted. To be considered for federal aid only, you must file the FAFSA by February 10.

Federal Aid Application

To be considered for federal aid, you must file a Free Application for Federal Student Aid (FAFSA). When you receive your Student Aid Report (SAR), confirm that all information is correct and that Fordham University is listed. If corrections are needed, use "Corrections on the Web."

Scholarships

All candidates for admission will be considered for the following scholarships. The student's application for admission is also the application for scholarships at Fordham.

Merit-Based Scholarships

- **Cunniffe Presidential Scholarship:** Full-tuition and room award renewable for four years. Awarded to the top admitted students each year (typically within the top 1% of the admitted pool). Presidential Scholars are generally ranked in the top 1–2% of their high school class and demonstrate excellent academic achievement in high school, test scores, and personal characteristics. **April 1 notification.**
- **Semifinalist Scholarship:** Full-tuition award renewable for four years. Recipients are finalists or semifinalists in the National Merit or National Hispanic Recognition Scholarship programs who possess a solid A average and are in the top 2–3% of all admitted students. **Notification is made at the time of admission.**
- **Dean's Scholarship:** Awards begin at \$15,000 and may increase based on a student's financial need as demonstrated by the FAFSA and/or CSS Profile. Typically, recipients are among the top 10% of all admitted students, have earned an A average in a competitive curriculum, and have scored above 1470 (New SAT) or 32 (ACT Composite). **Notification is made at the time of admission.**

Other Scholarships

- **Metro Grant:** \$7,000 per year. This grant is awarded to entering students (U.S. citizens and eligible noncitizens) who commute to Fordham from their permanent residence in New York City or the surrounding areas. Please note that the Metro Grant cannot be combined with the Presidential or Semifinalist scholarships.
- **Other Scholarships:** We also offer a range of additional scholarships that are based on merit and/or need. Scholarship awards and amounts vary based on specified criteria.
